

**Premium  
Hand made  
Froged Wedge**

# GS-SW

*The looks suggest  
the norm.  
The design demands  
superior control.  
The Wedge proves  
SUCCESS.*

**PRO SPECS  
SOFT FEEL  
SOLID CONTACT  
SPIN DRIVEN BY  
CNC MILLED FACE**

*The George Spirits GS Wedge is hand ground based on data of more than one thousand golfers including Tour Pros and athlete golfers. The GS wedge is a versatile club that allows you to flop, spin, and roll in any occasion to get you to the pin.*

*The GS-SW and its soft S20C forged face create spin and control. Just Imagine the shot you want to make and the GS-SW will make it a reality.*
